

UNIVERSITY OF APPLIED SCIENCES

## Windesheim University of Applied Sciences, Netherlands

### **General:**

Windesheim University of Applied Sciences in the Netherlands is ranked as one of the top three best Dutch universities of applied sciences. With well over twenty-five thousand full-time and part-time students and more than two thousand staff, Windesheim is one of the largest universities of applied sciences in the Netherlands with a personal focus on empowering the students. Students work in small groups and our lecturers are coaches as well. They challenge their students to develop into confident professionals. With an extensive global student population and the majority of courses offered in English, Windesheim is a truly international institute.
